Colonial is GROWING in 2016!

Jimmy Blair, Administrator

As 2015 comes to an end I find myself thinking about the many blessings the community of Henderson has provided me and the staff at Colonial. One of the many reasons I love coming to my job every day is the family

atmosphere that makes Colonial such a special place to be a part of.

I do want to take this opportunity to thank the community of Henderson for your support over the

atmosphere and there is not a day that goes by that I don't feel thankful to be a part of it. As I walk in every morning I am greeted by the breakfast crowd with a smile and wave and possibly a discussion about the UK game the night before and as I leave to go home I always hear "hurry back"! It's this family

year. Colonial Court Independent Living Apartments have been open for just over a year now and has been a great success. Colonial Assisted Living continues to stay full, so this fall we broke ground on our new Assisted Living Facility on Adams Lane. This will be a 51 apartment state
